

Discontinuation of Tekturna HCT in the US

Noden Pharma has made a business decision to permanently discontinue Tekturna HCT in the US for commercial reasons.

Noden Pharma will continue to supply Tekturna 150mg and Tekturna 300mg to the market.

Patients can take Tekturna 150mg and 300mg (which can be co-administered with a separate hydrochlorothiazide tablet from a different MAH).

Detailed below is the latest status of Tekturna HCT discontinuation

| Availability of Tekturna HCT | |
